Get Certified Preparation Sessions - FAQs (Frequently Asked Questions)

1. **Will onsite NetApp Certification testing be available at INSIGHT 2022 Digital?**

   As Insight 2022 is a digital event we will not have certification testing onsite.

2. **What is being offered this year for certification?**

   Turbo charge your career at Insight! NetApp Learning Services is offering certification preparation sessions on our ten most sought-after certifications for all registered attendees.

3. **What are certification preparation sessions?**

   NetApp Learning Services is offering interactive sessions, where you will be guided by a NetApp expert, through key exam concepts and objectives. Get focused study help, review sample questions, and complete a self-assessment before taking your exam.

4. **Are there exclusive offers for NetApp certification testing this year?**

   Yes, all INSIGHT 2022 registered attendees will receive an email with the special promotion code to receive a 50% discount on any of these ten certification exams.

5. **What exams are eligible for using the discount code?**

   Advance your career faster with industry-leading certifications in the technologies you want to master.

   Register today with **NetApp :: Pearson VUE**!

6. **What are the terms and conditions for using the INSIGHT22 promo code?**

   - Exclusive offer for Insight 2022 registered attendees
   - Your promo code will be emailed to you
   - When scheduling your exam, apply the promo code at checkout for a 50% discount
   - One attempt only for use on these ten exams only
   - Offer valid through April 28, 2023
   - You must schedule and take your exam before April 28, 2023

7. **How do I get my 50% discounted exam?**

   Your promo code will be emailed to you. When you schedule your exam with NetApp :: Pearson VUE,

   the exams are initially displayed at full cost.

   On the check-out page, you will see a field to enter your code.

   Select apply, and the new discounted price will be presented for payment confirmation.

8. **How do I register for my exam?**

   Go to **NetApp :: Pearson VUE** and Sign In or Create Account to schedule your exam.

9. **Can I retake an exam that I failed using this promo code?**

   This promo code will only allow for one attempt at each of the ten exams listed.

10. **What is the exam retake policy if I fail?**

    If this is the first time you failed the exam, you may retake the exam as soon as you like. If you have failed the exam two or more times before, you are required to wait 14 days before retaking the exam.

11. **How much do the NetApp certification exams cost?**

    NetApp certification exams are regularly priced at $150 each.

12. **Can I use training units (TUs) to pay for certification exams?**

    TUs cannot be used to pay for certification exams. You must pay for your certification exam using a credit/debit card.

13. **Can I register for more than one exam?**

    Yes, but the promo code is only eligible for use on one attempt at each of the ten exams.

14. **Will I be able to test remotely?**

    Yes, please go to **NetApp OnVUE exam information // Pearson VUE** to see requirements for Before Exam Day and On Exam Day to ensure you are prepared.

15. **Where can I find NetApp Certification program policies and information?**

    Go to **Certification Program Policies – Technical Certification | NetApp**

16. **IF I PASS AN EXAM, HOW CAN I ACCESS MY CERTIFICATE?**

CertCenter is your personal NetApp certification resource to access all your personal information, such as exam and certification history.
First time users select "Never logged in before?" and create your account, entering your last name and exam registration number from any of your score reports provided by Pearson VUE.

Please note that information is typically posted to CertCenter within 48 hours of achieving your certification.
If you have an account but do not remember your login information, select the "Forgot your password or NETAPP ID?" link on the CertCenter page.

WHERE CAN I GET MORE INFORMATION?

For more information on the NetApp Certification Program, go to Certification Programs -NCIE NCDA & more | NetApp where you will find recommended training, prerequisites, and resources, including practice exams. If you have questions, please contact us at ncp@netapp.com
