

EMPLOYEE VERIFICATION PROCESS

The method for verifying employment depends on the employee's country of residence during their employment with NetApp. Follow the instructions for the relevant country or region below:

UNITED STATES

For employees who work, or worked, in the US, NetApp uses **The Work Number®** to provide automated income verifications for our employees. The employee can request their proof of employment by contacting The Work Number via

- <https://www.theworknumber.com>
- Or by telephone: 1-800-367-5690

NetApp's company code: **13737**

If you need further assistance, please contact The Work Number directly at 1-800-367-5690.

Non-US

Verifiers can reach out to NetApp through the applicable e-mail addresses below.

Provide a signed consent form from the employee, or former employee.

We will return the verification (including latest job title and start and end date) within 72 hours.
